

## Professionalism & passion.

At Rocky Mountain Flight School our core personnel have been working and flying at Rocky Mountain Metropolitan Airport (KBJC) for more than a decade as flight instructors, aircraft mechanics and aviation customer service professionals. All of our instructors are knowledgeable and strive to help every student achieve their aviation goals.

## WHAT WE DO

### *Training Programs*

We provide necessary and required training programs to meet FAA standards including: Private Pilots Certificate, Instrument Ratings, Commercial pilot certificate, Multi-Engine Rating, CFI, CFII, MEI & Mountain Flying.

### *FAA Testing - PSI*

Rocky Mountain Flight School proctors FAA written exams in partnership with PSI and the FAA. FAA written exams are \$173 and can be scheduled through PSI Exams.

### *Advanced Aviation Training Device (AATD)*

Our Elite RC-1 AATD provides a better learning environment for instrument instruction. Saving you time and money you get more instrument procedures per training hour.

*We offer quality instruction at  
affordable prices.*

### *Cessna and Piper Aircraft*

Our fleet includes Cessna 152, 172N, 172N (G3X), 172P, 172R, 172XP (195hp) (G500), 172-RG, 182Q, 182P and 182-RG. In addition we offer Piper PA-28-161, PA-28-181, PA-28R-201, PA32-260 & PA-44-180

*View our hourly rates on our  
website.*

### *Instructor Rates*

Hourly Instructor Rates:

Primary Instruction - \$42.00/hr

Advanced Instruction- \$44.00/hr.

Multi-Engine/Mountain Instruction - \$49.00/hr.

*Flexible solutions for your aviation needs  
with  
training solutions that  
work for you.*

### *Aviation Careers*

If your goal is to become an aviation professional and acquire your certificates and ratings, our flight instructors are available on a daily basis providing quality instruction.

### *Pleasure or Business*

If your approach to flight training is for enjoyment or pleasure we offer flexible training that works with your schedule.
